About Infigen Energy

Infigen Energy (Infigen) is a developer, owner and operator of renewable energy generation in Australia. We own six wind farms and a solar farm with a combined installed capacity of 557 megawatts operating in New South Wales, South Australia and Western Australia.

Infigen's operating assets generate enough power to meet the needs of over 250,000 homes saving over a million tonnes of carbon dioxide emissions each year.

Infigen's development pipeline comprises approximately 1,100 megawatts of large-scale wind and solar projects spread across five states in Australia.

Infigen trades on the Australian Securities Exchange under the code IFN.
