## RESPONSE TO MEDIA REPORT

Infigen Energy (ASX: IFN) notes today's Australian Financial Review article regarding potential corporate activity in relation to its Australian assets.

Infigen Energy continues to assess a range of options to provide improved financial flexibility. Infigen Energy also continues to deal constructively with bona fide opportunities that might advance the Group's strategy, including (amongst other things) potential asset sales.

Infigen will provide disclosure to the market if and when it becomes appropriate or required.

### About Infigen Energy

Infigen Energy is a specialist renewable energy business. We have interests in 24 wind farms across Australia and the United States. With a total installed capacity in excess of 1,600MW (on an equity interest basis), we currently generate enough renewable energy per year to power over half a million households.

As a fully integrated renewable energy business in Australia, we develop, build, own and operate energy generation assets and directly manage the sale of the electricity that we produce to a range of customers in the wholesale market.

Infigen Energy trades on the Australian Securities Exchange under the code IFN.
