Dear Mr Reid

**Avonlie Solar Farm (SSD-9031)
Environment Management Strategy**

I refer to the revised Environment Management Strategy which was submitted in accordance with condition 1 of Schedule 4 of the conditions of consent for the Avonlie Solar Farm (SSD-9031).

The Department notes the strategy was updated to incorporate the changes following the approval of modification 2.

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant condition.

Accordingly, the Planning Secretary has approved the revised Environment Management Strategy (Revision 1, dated 29 June 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 0299955944.

Yours sincerely
