## **INFIGEN ADVISES OF ASX SYSTEM ERROR**

Infigen Energy (ASX: IFN) advises that the trading pause in IFN securities today was entirely due to an ASX system error.

The ASX has advised that other listed companies were impacted by the ASX system error.

The ASX has also advised that IFN remained in trading pause until 12 midday, by which time the ASX had resolved the system error.

## **About Infigen Energy**

Infigen is a leading Australian Securities Exchange (ASX) listed energy market participant delivering energy solutions to Australian businesses and large retailers.

Infigen supplies Australian business customers clean energy from a combination of its own renewable energy generation assets, energy sourced under power purchase agreements, firming solutions from the broader energy market and the 25MW / 52MWh Battery currently under construction.

Infigen's wind generation assets are located in New South Wales, South Australia and Western Australia and it has power purchase agreements in Victoria. Infigen's energy retailing licences are held in the National Electricity Market (NEM) regions of Queensland, New South Wales (including the Australian Capital Territory), Victoria and South Australia.

Infigen is Australia's largest listed wind power generator by installed capacity with 670MW across Australia. It is also a proud and active supporter of the communities in which it operates.
