INFIGEN ANNOUNCES FOURTH QUARTER FY15 PRODUCTION AND REVENUE

Infigen Energy (ASX: IFN) today announced its production and revenue for the three months ended 30 June 2015 (Q4 FY15).

On 15 July 2015 Infigen announced that it has agreed to sell its US wind business. This, and future, quarterly production and revenue reports will therefore cover Infigen's Australian business only.

Infigen will release its audited full year FY15 financial results on 31 August 2015. Accordingly, the following FY15 production and revenue results remain subject to audit review.

HIGHLIGHTS

Q4 FY15

- Production was 376 GWh, up 14% on the prior corresponding period (pcp)
- Revenue was A\$34.0 million, up 16% on the pcp

		Q4 FY15	Q4 FY14	Change	% Change
Production	GWh	376	330	46	14
Revenue	A\$m	34.0	29.3	4.7	16
Price	A\$/MWh	90.4	88.8	1.6	2

FY15

- Production was 1,459 GWh, down 7% on the pcp
- Revenue was A\$133.8 million, down 8% on the pcp

		FY15	FY14	Change	% Change
Production	GWh	1,459	1,572	(113)	(7)
Revenue	A\$m	133.8	145.4	(11.6)	(8)
Price	A\$/MWh	91.7	92.5	(0.8)	(1)

Production of 376 GWh for Q4 FY15 was 14% or 46 GWh higher than the pcp due to better wind conditions at all sites except Capital and Woodlawn.

Revenue of A\$34.0 million for Q4 FY15 was 16% or A\$4.7 million higher than the pcp primarily due to higher production and higher Large-scale Generation Certificate prices.

Commentary on FY15 production and revenue outcomes will be provided with the FY15 results.

About Infigen Energy

Infigen Energy is a specialist renewable energy business. We have interests in 24 wind farms across Australia and the United States. With a total installed capacity in excess of 1,600MW (on an equity interest basis), we currently generate enough renewable energy per year to power over half a million households.

As a fully integrated renewable energy business in Australia, we develop, build, own and operate energy generation assets and directly manage the sale of the electricity that we produce to a range of customers in the wholesale market.

Infigen Energy trades on the Australian Securities Exchange under the code IFN.
