INFIGEN ANNOUNCES FOURTH QUARTER FY17 PRODUCTION AND REVENUE

Infigen Energy (ASX: IFN) today reported unaudited production and revenue for the three months ended 30 June 2017 (Q4 FY17). Infigen will release its audited full year FY17 financial results on 24 August 2017. Accordingly, the following FY17 production and revenue results remain subject to audit review.

Q4 FY17

	Q4 FY17	Q4 FY16	Change %
Production (GWh)	254	406	(37)
Production sold ¹ (GWh)	240	380	(37)
Revenue (\$ million)	32.1	50.0	(36)

FY17

	FY17	FY16	Change %
Production (GWh)	1,487	1,469	1
Production sold ² (GWh)	1,399	1,406	-
Revenue (\$ million)	196.7	173.2	14

Q4 FY17 production was lower than the prior corresponding period (pcp) due to below average wind conditions in New South Wales (NSW) and South Australia (SA), while Alinta wind farm performed better than the pcp. These wind conditions in NSW and SA resulted in the lowest historical average fourth quarter production outcome for Infigen's current Australian operating assets since they came on line as a portfolio in FY12.

Revenue of \$32.1 million for Q4 FY17 was \$17.9 million or 36% lower than the pcp due to lower production sold.

ENDS

¹ Excludes compensated production of 1 GWh in Q4 FY17 and 8 GWh in the pcp.

² Excludes compensated production of 5 GWh in FY17 and 8 GWh in the pcp.

About Infigen Energy

Infigen is an active participant in the Australian energy market. It is a developer, owner and operator of renewable energy generation assets delivering energy solutions to Australian businesses and large retailers.

Infigen owns 557 MW of installed generation capacity operating in New South Wales, South Australia and Western Australia and sells the energy and Large-scale Generation Certificates (LGCs) through a combination of medium and long term contracts and through the spot market.

Infigen is looking to develop further renewable energy projects in response to the strong demand for renewable sourced energy and decreasing cost of development. It has a number of projects that offer near-term development opportunities.

Infigen Energy trades on the Australian Securities Exchange under the code IFN.
