## COMPLETION OF UNMARKETABLE PARCEL SALE FACILITY

Infigen Energy (ASX: IFN) advises that the IFN Unmarketable Parcel Sale Facility has been completed, with cheques representing the sale proceeds mailed to relevant securityholders today.

As advised on 17 March 2009, IFN established a Sale Facility for securityholders with an unmarketable parcel of IFN stapled securities valued at less than A\$500 as at the record date of 11 March 2009, which enabled those securityholders to sell their unmarketable parcels of IFN securities without incurring brokerage or handling costs.

Under the Sale Facility, a total of 4,347,273 IFN stapled securities were progressively sold between 14 May 2009 and 13 July 2009. The proceeds achieved under the Sale Facility were \$1.195 per IFN stapled security and reflect the volume weighted average price of all IFN securities sold under the Sale Facility by UBS as execution broker.

Following finalisation of the Unmarketable Parcel Sale Facility, the number of IFN securityholders has reduced from approximately 65,000 to approximately 28,000.

Should securityholders have any questions relating to the Sale Facility, they should contact the registry, Link Market Services Limited, on 1800 226 671 or visit Infigen's website at [www.infigenenergy.com](http://www.infigenenergy.com).
